

Holme Valley Heritage Pub Crawl

Why not take a stroll between some of our local pubs and pop in for a quick drink or meal!

1. What did The Crown Hotel change its name to? Why did they make this change?

2. The Bareknuckle Boys in the Upper Holme Valley is now called what? Do you know any other names it's been?

3. Robert Wilkinson was the landlord of which upland Holme Valley pub, pictured here?

4. Identifying this popular Holmfirth pub may be a jumbo problem for you!

Why not take a stroll between some of our local pubs and pop in for a quick drink or meal!

5. Founded as a beerhouse in the 1860s, the Lord Nelson was the original name of which Wooldale pub?

6. The pub on the right of the picture was the Princess Royal. But what is the famous Holmfirth hostelry on the left? What is its official name and what is its nickname?

7. Hugh and Marjorie Sykes were landlord and landlady. Recently refurbished at considerable expense, which central Holmfirth pub was this?

8. What is the current name of this Upper Holme Valley pub? How many other names of the pub do you know?

Why not take a stroll between some of our local pubs and pop in for a quick drink or meal!

9. What now occupies the space where the fondly-remembered pub on the right used to be? Do you know the pub's official name and nickname?

10. The tap room of which Upper Holme Valley pub featured murals of 60s pop stars until the mid-2000s?

11. This celebrated Holmfirth hotel, bar and restaurant does not look much like this anymore! But where is it?

12. What did The Coach and Horses in Honley become after it ceased to be a pub?

Why not take a stroll between some of our local pubs and pop in for a quick drink or meal!

13. The former Bay Horse pub is now named after a Hade Edge hamlet and reservoir. What is its new name?

14. A pub since around 1788, what is this busy Holmfirth public house?

15. The White Hart on Towngate is now which vibrant bar-restaurant?

16. This Holmfirth pub has been the scene of music and revelry for centuries! Can you name it?
